GATTINARA

and the Sacred Mount of Varallo

Along the road that takes you into the Sesia Valley, take a delightful stop in Gattinara with its stunning historical town centre, and visit the regional wine cellars to get a taste of the excellent quality wines produced in the area. Varallo Sesia is the real historical and cultural capital of the valley, as well as a pilgrimage centre for the entire Vercelli district. The Sacred Mount is a UNESCO world heritage site, featuring a series of chapels open to all visitors, immersed in the green forest and decorated with fifteenth-century masterpieces by the artists Gaudenzio Ferrari, Tanzio da Varallo and many other old masters from the Vercelli school. Take a stroll through Varallo's town centre and admire its splendid nineteenth-century villas, and then stop to visit one of its many historical cafés. Do not miss the opportunity to visit the Picture Gallery in the Palazzo dei Musei to admire other works by the masters

from the Sacred Mount, before going on one of the spectacular walking tours which will take you through Riva Valdobbia, where you can admire the wonderful facade of Saint Michael's Parish Church, and breathtaking views of Monte Rosa. In Alagna, you cannot miss the chance to admire the marvels of the Walser community, founded by the original German Walser people who came to the valley in the thirteenth century.
