WELL-BEING

for the body and soul

Then steal a well-deserved moment of peace and relaxation to enjoy life and the pleasures offered by a small tourist town famous for its spa resorts. The thermal spas of Acqui boast modern health and beauty facilities in fully accessible resorts managed by a specialist healthcare organisation.

A visit to the Paleologists' Castle and the Archaeological Museum, containing finds from the town's Ancient Roman past, is a must for history and culture lovers. Then take a walk through the Ancient Roman ruins and the thermal spring "La Bollente", located in the historic town centre, the pulsating heart of Acqui.

The breathtakingly beautiful landscape surrounding the town offers glimpses of the Orba and Bormida valleys, whilst the nearby hills, which produce a remarkable 9 DOC wines and 3 DOCG wines, feature the crenellated outlines of towers and castles looking

towards Ovada.

And as though all that wasn't enough: unforgettable moments in the history of cycling are celebrated in the museum in Novi Ligure dedicated to two of cycling's greatest champions – Fausto Coppi and Costante Girardengo.

Many are the gastronomic delights that abound in this land, from Gavi DOCG wine to mouth-wateringly delicious chocolate.

Just a few kilometres away there is also the possibility of dedicating an entire day to shopping at the famous designer outlets of Serravalle Scrivia, featuring all the best-known fashion labels in Italy.
